

First Year

Subject	Course Description	Units
Integrated Sciences	Introduction to Physical Science	2
Mathematics I	Elementary Algebra	2
English I	Communication Arts I	2
Computer Science I	Introduction to Computer Science	1
Filipino I	Sining ng Komunikasyon sa Filipino	1
Social Science I	Philippine History and Government	1
Values Education I	Introduction to Values Education	1
PEHM I	Physical Education, Health, and Music I	1

Electives

Art/Drafting	1
Earth Science	1
Technology Preparation	0.5

Number of Units: 13.5

Second Year

Biology I	Introduction to Biology	2
Physics I	General Physics	1
Chemistry I	Inorganic Chemistry I	1
Mathematics II	Plane Geometry	1
Mathematics III	Advanced Algebra I	1
Computer Science II	Introduction to Programming	1
English II	Communication Arts II	1
Filipino II	Pagsusuri at Pagpapahalagang Pampanitikan	1
Social Science II	Asian Studies	1
Values Education II	Values Development	1
PEHM II	Physical Education, Health, and Music II	1

Electives

<i>Science Stream</i>	
Arts Education, Environmental Science	1/2
<i>Technology Stream</i>	
Drafting/CAD, Woodcraft and Metalcraft	1/2

Number of Units: 14-15

Third Year

Biology II	Advanced Biology I	1
Physics II	Advanced Physics I	1
Chemistry II	Inorganic Chemistry II	2
Mathematics IV	Advanced Algebra and Trigonometry	1.5
Computer Science III	Software Project Planning	1
English III	Communication Arts, Asian Literature	1
Filipino III	Malikhaing Pagsulat	1
Social Science III	World History	1
PEH III	Physical Education and Health III	1
Research I	Principles of Science/Technology Research	0.5

Electives

<i>Science Stream</i>	
Microbiology, Food Science, Microprocessing, Selected Topics in Number Theory, Journalism I (Filipino or English), Selected Topics in Biology	1
<i>Technology Stream</i>	
Basic Electronics, Cisco Networking	1

Number of Units: 13

Fourth Year

Biology III	Advanced Biology II	1
Physics III	Advanced Physics II	2
Chemistry III	Advanced Chemistry	1
Mathematics V	Elementary Analysis	1
Computer Science IV	Special Topics in Computer Science	1
English IV	Communication Arts (American and European Literature)	1
Filipino IV	Panitikang Pilipino	1
Social Science IV	Economics	1
PEH IV/PMT	Physical Education and Health IV, Preparatory Military Training	1
Research II	Experimental Science, Technology Research	1

Electives

<i>Science Stream</i>	
Consumer Chemistry, Industrial Chemistry, Digital Design, Visual Communication, Cell and Molecular Biology, Journalism II (Filipino or English) Selected Topics in Mathematics, Selected Topics in Physics	1
<i>Technology Stream</i>	
Advanced Electronics, Cisco Networking	1

Number of Units: 13
